Fall, 2018

Dear Business Owner,

Friends of City Hall have begun work on our 2019 dinner dance fund raiser. We are calling it "Blue Denim Too" scheduled for January 26, 2019 at Perch Point Conservation Club. Please see our flyer attached. Our first dinner dance in January, Blue Denim Ball, was so much fun and so successful we decided to keep the name with a tiny modification that plays on words. We discovered that everybody loved the concept of good food, an open bar, a great, 20 piece orchestra for a slick night out and no dress up. Yes, we got a lot of people asking "Can we really just wear blue jeans?" That night we kept hearing "My husband wouldn't be here tonight if he had to dress up." We were pleased.

Better still, our goal was to raise money to repair the grand staircase and we did exactly that. Restoration work on the stairs is now complete. Blue Denim Too focuses on funds for fire suppression and phase one of a heating system. We must install a sprinkler system in the building and supply rudimentary heating to prevent freezing

We are seeking sponsors for this event. Sponsors will be recognized through our large sponsor board, our place setting booklet, our post-event letters to editors, on our Facebook page and on our website www.friendsofcityhall.com. Donors in the "Alarm Gangs" will be recognized from the stage during the evening. "Five Alarm Gang" members also receive two tickets to Blue Denim Too.

This year we are offering sponsors some interesting choices:

- "Alarm Gang" Cash Donation:
 - \$500 and up "The Five Alarm Gang"
 - \$250 to 499 "The Four Alarm Gang"
 - \$150 – 249 "The Three Alarm Gang"
- Sponsor a Raffle Basket for \$100.
- Donate a valuable special raffle item associated with golf, travel, home entertainment, deck living, etc.
- Give a gift certificate valued at \$100 and up associated with your business.

Please fill out the Sponsor Form attached. We are, of course, a 501 (c) 3, EIN # 38-3843080, and all gifts are tax deductible.

We sincerely thank you for your generous support.
